It doesn't get more comfortable!

LIDHULT sofa is designed in the smallest detail for maximum comfort. It feels inviting and embracing with built-in lumbar support in the high back and a nice neck cushion. Pocket springs provide support where needed and follow the body precisely, while the top layer of ball fibre makes the sofa extra soft. The seats are also generous so that everyone sits with maximum comfort – regardless if it's TV night or relaxing with family and friends. It doesn't get more comfortable!

Maximum comfort in all situations

The embracing, inviting and generous LIDHULT sofa is designed for maximum comfort in all situations. It's just as ideal for a nap as for relaxing with friends and family – everyone sits comfortably thanks to the spacious seats. The sofa is available in many various styles, and you can choose between covers in soft leather and washable fabric. The chaise longue has spacious storage under the seat, and the comfortable sofa bed is a good tip if you often have overnight guests!

GOOD TO KNOW

Our fabrics have been tested

At IKEA we test the fabric covers on our sofas and arm-chairs so you can be sure they're durable. The fabric's ability to resist abrasion is tested by using a machine to rub it against another fabric while applying firm pressure.

A fabric that can take 15,000 cycles is suitable for furniture that must withstand everyday life at home – and if it can take more than 30,000 cycles, it is very resistant to abrasion. All fabrics are sensitive to sunlight, which is why we also check that our fabrics resist colour changes effectively.

| | Washing instructions | Resistance to abrasion (cycles) | Light-fastness (0-6) |
|---|--------------------------|---------------------------------|----------------------|
| GASSEBOL: Mix of cotton and polyester which makes the fabric both naturally soft and durable. 76 % cotton, 24 % polyester. | Machine washable at 40°C | 30,000 | 5 |
| LEJDE: Multi-coloured, irregularly spun yarn which gives the fabric a rich texture and deep colour. 76 % cotton, 24 % polyester | Machine washable at 40°C | 30,000 | 5 |

GRANN/BOMSTAD: The contact areas are covered with GRANN, which is a natural and flexible leather, and the outer surfaces are covered with BOMSTAD, which is a coated fabric similar to leather.

HOW TO CONVERT

Lift and fold out – and it's ready!

It is easy to transform LIDHULT sofa bed into a spacious and comfortable bed. Start by taking off the sofa cushions. Fold down the fabric piece at the front edge of the seat. Then lift the underframe and pull it towards you. Finally,

fold down the foot of the bed. If you want to watch TV or read in bed with comfortable back support, feel free to put back the sofa's back cushions.

COMBINATIONS

Overall size: Width x Depth x Height.

Here we show some examples of how LIDHULT sofa series can look, but you are free to customise the sofa to suit you and your needs. Decide the number of seats, shape of the sofa, what functions you want and of course a cover that

feels right for you. One tip is to use our helpful planning tool to explore all the possible combinations and possibilities. You can find the tool in the store and on www.IKEA.com.
