# BILLY

## Bookcase series

### SAFETY

This furniture must be fixed to the wall with the enclosed wall fastener.

Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home (not included).

Tempered glass should be handled with care! A damaged edge or a scratched surface can cause the glass to break suddenly. However, only into small pieces, never into sharp fragments.

### BILLY for book lovers

This is BILLY – our most versatile bookcase. It can be the start of your own library, where your books are protected and you feel inspired to read. BILLY comes in several heights and widths, finishes and materials to suit all books and rooms. When your library grows, you can add extra shelves and height extension units to suit your needs.

### Better and better, day by day

BILLY bookcase was born in 1979 and soon became a popular favourite. But, you should never take an old friend for granted, which is why we're constantly working to improve the details and make the bookcase even better. Some improvements are hardly noticeable, while others you can see right away. Like now, when we have made BILLY more durable, improved the finish and made the shelves even stronger.
