

BUYING GUIDE

KALLAX

Shelving unit

CARE

Wipe clean with a cloth dampened in a mild cleaner. Wipe dry with a clean cloth.

SAFETY

Caution! To prevent toppling, all furniture more than 79 cm high should be anchored to the wall. Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home, sold separately. Tempered glass should be handled with care!

A damaged edge or a scratched surface can cause the glass to break suddenly. However, only into small pieces, never into sharp fragments.

Simple, but versatile

Place it on the floor, mount it on the wall or use it as a room divider. The different sizes offers you a variety of smart functions. Use one KALLAX unit or combine them. Display your treasures or complement with inserts, boxes and baskets to hide your clutter. Whatever your needs, the simple, clean design of our KALLAX cube series makes it one of our most flexible and versatile solutions.

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.co.id for more information. For more detailed product information, see the price tag and the Internet. All units require assembly.
