# MALM

## Bedroom series

### CARE & CLEANING

Wipe clean with a well-wrung cloth and a mild soapy solution. Then dry with a clean, dry cloth. Clean the mirror with window polish.

### WARNING! TIPPING HAZARD

Unanchored furniture can tip over. Some of these furniture shall be anchored to the wall with the enclosed safety fitting to prevent it from tipping over.

### Long live personal choice!

All pieces in the MALM bedroom series - chests of drawers, dressing table, desks and beds - have the same timeless style. They are built to last and designed work together so you can furnish your entire bedroom in the same style. Choose between several veneers and colours. The chests of drawers come in many different sizes, which can be combined into your own personal storage solution.

If you like, you can complement with a mirror of your choice and matching wardrobes from the PAX series.
