# CHOOSE YOUR WARDROBE

We have a wide range of PAX/KOMPLEMENT combinations to choose from which you can find in the store or on our website at [www.IKEA.co.id](http://www.IKEA.co.id). If you don't find a pre-designed solution that you like, you can use our PAX/KOMPLEMENT planner to create the perfect solution that suits your needs and taste.

Begin by looking through the ready-made combinations on the web or in the planner gallery and choose one that inspires you. You will then have a pre-designed combination to start from that you can customise to your needs. You can, for example, change the size and the colour of the wardrobe, or the interior organisers.

You can also use the planner to design your own unique PAX/KOMPLEMENT combination from scratch. There are 3 simple steps to follow when choosing your wardrobe solution.

**1. Choose frames.** Consider how much space you have available in your room. It's important to know the maximum height and width of your new wardrobe. Remember, you can also make the most of unused space with corner units.

**2. Pick your style.** What colour do you want your wardrobe to be? We can offer a wide selection selection of doors in different colours.

**3. Choose interior organisers.** Think through your day-to-day needs. Do you have a lot of shoes? Then a pull out tray with shoe rails could be a good option for you. Or perhaps you have a lot of trousers? Then a trouser hanger will come in handy. If you keep your summer and winter clothes in the same place, deep wire baskets will store your clothes neatly away.

Once you have decided on the interior organisers, it's time to add the finishing touches. Complete your new wardrobe with your choice of boxes and inserts from our extensive range of interior accessories. And for a really great result, don't forget the integrated lighting! Simple to install and makes it so much easier for you to find the right outfit.

The PAX/KOMPLEMENT planner helps you to calculate the price of your wardrobe and allows you to print or save a product list that you can bring to the store or use to buy online.

The planner can be found in the wardrobe area of the store or in the comfort of your own home. Just visit the wardrobe department on the IKEA website and go to the PAX/KOMPLEMENT wardrobe planner: [www.IKEA.co.id](http://www.IKEA.co.id)

Hard to know how much space your clothes will take? Here's a useful guide of a few measurements and generic clothes sizes that could come in handy when planning your wardrobe.

1. Plan 21 cm to fit SKUBB storage boxes.
2. Plan appr. 100 cm for coats.
3. Plan appr. 80 cm for blouses.
4. Short dresses needs appr. 120 cm.
5. Really long garments might need up to 190 cm.
6. Plan 33 cm for a pull-out shoe shelf.
7. Plan appr. 25 cm for 10 folded t-shirts.
8. Plan appr. 30 cm for 10 pairs of folded sweaters.
9. Plan appr. 60-70 cm for hanging trousers.
