CARE AND CLEANING

WARNING! TIPPING HAZARD

Unanchored furniture can tip over. Some of these furniture shall be anchored to the wall with the enclosed safety fitting to prevent it from tipping over.

Quality and style that lasts

Light, neat and soft – with a handcrafted feeling in every detail. That's a short description of the TYSSDAL bedroom series. But there's much more we'd like to tell you about. Like the fact that the sunlight can filter through the headboard, the wardrobe has mirrored doors and the 4 chests of drawers and bedside table have softly shaped tops and drawer bottoms with a printed pattern. All the pieces are on turned legs and have handles in brushed chrome. TYSSDAL is a complete bedroom series with quality and style that will last for many years.
